**NECTA**

***Canto, derived from the latin, cantare; to sing***

**Canto from N&W** - something to sing about. Bristling with patented technical innovation from the new brewers, new freemix soluble mixers, and new polypropylene boiler tank, all in perfect harmony with the pumped water system to deliver drinks of the highest quality. Continuous floor to ceiling display panels perfectly illuminated by environmentally friendly, class 1, LED lights enhances CANTO's aesthetically pleasing visual impact. The user-friendly selection interface also benefits from the use of LED's. Aluminium and bright diamond black polycarbonate panels, which are both elegant and sturdy, complete CANTO's high quality image. Ease of cleaning and maintenance complete the offer of this highly advanced machine, which will surely become the market leader. CANTO - a new song destined to become a classic.

**HIGHLY-ADVANCED USER INTERFACE**

- Internal cabinet light as standard
- 22 direct selections lit by LED's  
Keypad version also available
- Modular and easy to change selection labels
- Elegant aluminium door
- Large 10 line graphical LCD display
- 'Light Path' of flashing LEDs for coin entry, product dispense and coin return guides the user through the purchasing process
- Possible to install up to three payment systems
